

Kendall
Kingscott

Career Opportunity

Senior Quantity Surveyor

An amazing opportunity awaits...

Kendall Kingscott is unique.

We strike the perfect balance between large corporates and smaller, individual entities, bringing the positives of both.

We can operate with agility while providing the stability and experience expected of a 60-year established business.

We've spent the past three years carefully crafting our strategic business plan, all while experiencing excellent growth and culminating in the launch of our new brand in 2023. Our blueprint – *The Modern Way* – is about putting social purpose at the core of everything we do, creating an environment where people can thrive, and our business succeeds.

9.3%

**staff turnover,
compared to national
average of 27.4%**

KK is a place where careers flourish. Our statistics speak for themselves: low staff turnover, countless success stories of career progression, impressive training success rates and sustainable repeat business. Our innovative remuneration packages prioritise health and wellbeing. We're seeking dynamic individuals to join us on our ambitious journey.

Making a difference since 1962

Our 60-year journey has been one of organic evolution.

It's guided us to where we are today – **an inter-disciplinary construction consultancy** operating collaboratively with outstanding results.

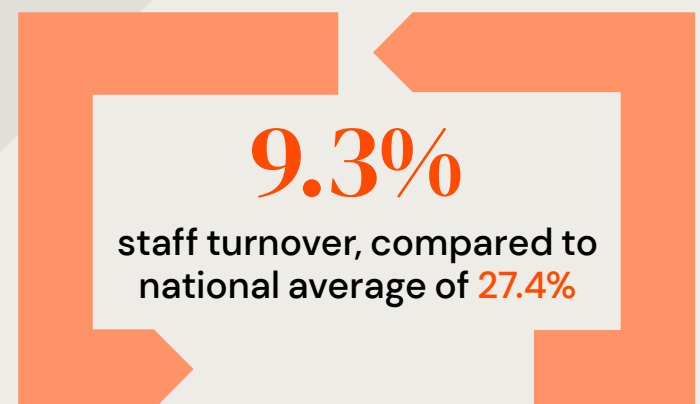

Our strategy has provided the foundations for the strongest period of growth in the company's history. Yet our new plan is only just beginning.

Our clients like to work with us and our unique, holistic approach.

We curate the perfect team for each project, either as individual disciplines or fully integrated solutions under one umbrella. We call it **1 Team**.

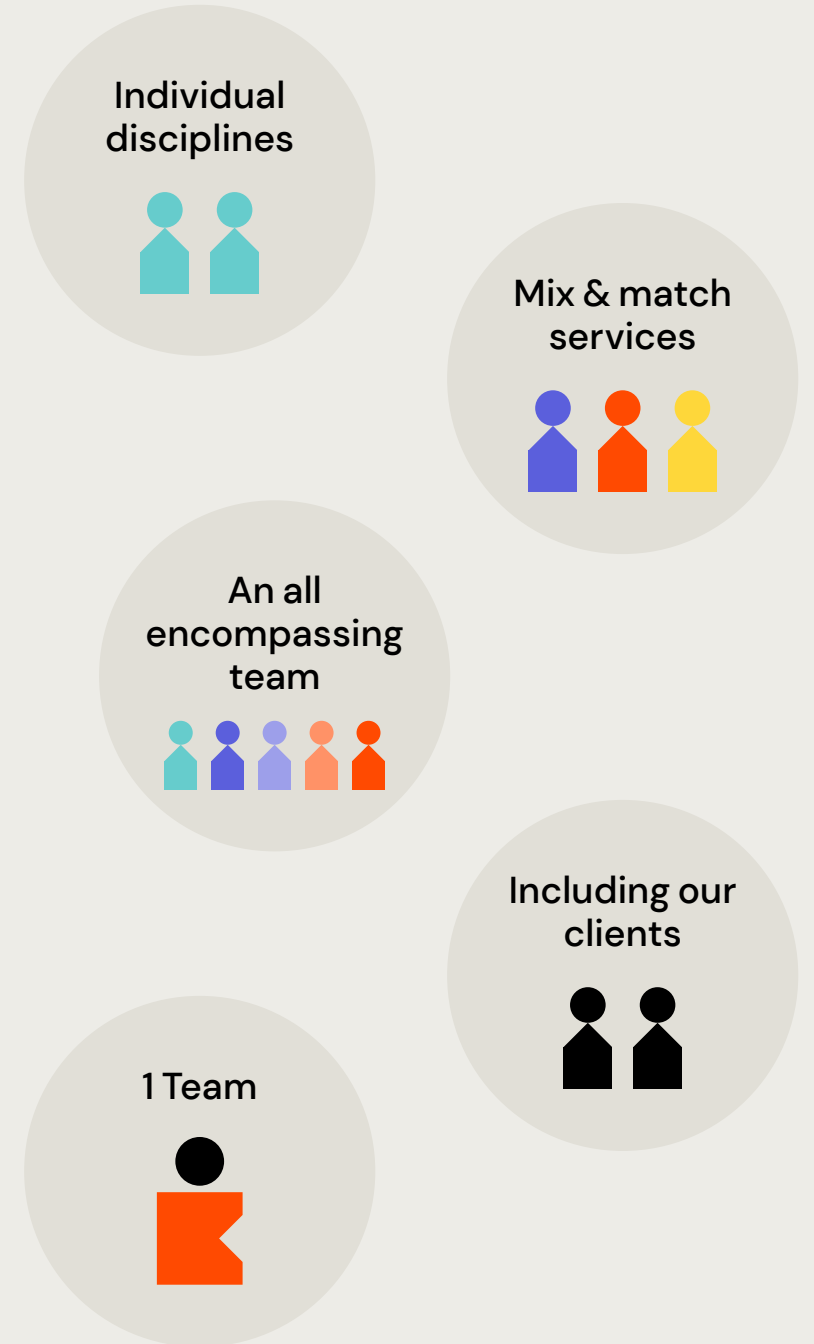

We have grown
85%
in the last 4 years

Be part of a great team

1 Team provides the framework to take our projects to new heights. We go **beyond expectations** within a positive, collaborative team environment.

Experience the difference: an unrivalled service, promoting positive energy with positive outcomes.

1-5 years

An environment where people flourish...

As we step into the next decade, we are committing to and building on the visions of those before us. Our goal is to be a **net zero operation by 2028**.

Continuing to empower our staff to flourish and exceed expectations on every level. Dedicated to service, high standards and a positive impact on society and the planet.

KK is an equal opportunity employer and fully committed to treating all employees and job applicants equally. We will avoid discrimination in all aspects of employment including recruitment and selection, promotion, transfer, training opportunities and pay and benefits.

We take all reasonable steps to employ, train and promote employees on the basis of their experience, abilities and qualifications without regard to age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation.

Integrity

We work with respect, pride and transparency. We take shared ownership of projects and are proud of what our company name represents.

Nurturing

This is a place for every person at every level. We support each individual regardless of background or ambitions. We're nurturing a safe, open environment that encourages organic development.

Humility

We let our work do the talking. No egos, no prima donnas – just a committed team who relish a challenge and work together for the best results.

Impact-driven

Our work has a direct impact on society, our industry, and the built and natural worlds. Ensuring this impact is positive drives our decision-making.

People-centric

Our success is built on our long-term relationships. We genuinely care about our clients and each other.

Progressive

We're always looking to evolve to be a better version of ourselves.

The KK Way ...it's in our DNA

Alongside 1 Team, sits our cultural development & training programme entitled **The KK Way**.

Divided into **eight key themes**, The KK Way provides the framework that underpins our principles, empowering authentic excellence in our staff.

Opportunities for all

This is a place for every person at every level. We support each individual regardless of background or ambitions.

Going beyond

We provide the cultural and technical breeding ground for our people to excel in a purpose-driven environment.

KK Academy

Lifelong Learning

Social Value

Cross-discipline Learning

Leadership & Management

Defining Your Own Path

Technical Excellence

Unrivalled Client Care

But it's not all work, work, work...

Market leading innovative benefits that support your wellbeing & grow with you

The KK Way

You will never stand still at KK. Staff have the opportunity to study and continue to develop with us. We have highly successful training programmes at all levels including our Academy. For aspiring leaders, we have developed an excellent Leadership & Management Programme that will ease the transition into management roles. We give generous paid study leave benefits, training allowances and professional subscriptions are paid for all staff.

Social workers

At KK we work hard, and play hard too. We hold regular company subsidised social events that could see you enjoying sea or river cruises, taking in air displays, sporting events or just kicking back with a few tipples at our local haunt.

Health and wellness options

Our Health and Wellness benefits programme is driven by our business purpose that gives you access to a host of options that increase with length of service. At every level, our Employee Assistance Programme provides a 24-hour confidential helpline and we also offer discounted gym membership / sports equipment, free eye-tests and regular seminars that cover a range of wellbeing topics, including mental health. Where Private Medical Insurance is offered, it gives the added protection of your immediate family members. After a period, you'll benefit from voluntary health screening, regardless of level.

Insurance against unfortunate events

All staff benefit from a life assurance protection policy at four times annual salary to a nominated beneficiary. We also offer income protection insurance at some levels.

Incentivising sustainable forms of travel that will benefit you

Our business is aspiring to be Net Zero by 2028. That's why we provide the opportunity to lease an electric vehicle via the company's EV Salary Exchange Scheme (subject to qualifying conditions) – offering an affordable and tax efficient way to do your bit for the planet. If a vehicle is not your thing, you can also procure a bicycle for commuting via the company's Cycle to Work Scheme by salary exchange which also has tax efficiencies.

And there's more...

Work, life harmony sits at the heart of our business

We want our people to work to their best ability and recognise the importance of a fruitful life outside of work is key to this. That's why we offer market-leading annual leave options that increase with length of service, innovative training programmes that promote harmony in your work, life experiences, and an agile and hybrid working policy that strikes a balance between our clients, you and the business.

A little thank-you for your commitment to KK

If you, like many others, enjoy working at KK, you will be rewarded with a combination of enhanced benefits over time. Enhanced holiday allowances, increased pension contributions, health and wellbeing benefits, as well as one-off celebratory holiday(s) and vouchers that increase with number of years served.

Grand offers

Some extra cash for your Piggy Bank. We'll give you up to £1,000 bonus if, like yourself, you know someone who might be great addition to the KK Team.

Reward

Our salaries are very competitive, reviewed annually, and include a company wide annual bonus if we've done well. We cover company travel and offer daily subsistence allowances for staff on the move.

Team working

Whoever your team is, at KK you'll only have 1 Team - a winner every time. Our team approach is central to our ethos and ability to provide an outstanding service to our clients. Never feel alone again!

Giving back

We support a number of charities and hold regular fund raising events across the company. Whether its baking cakes, partaking in our Tour de-Four cycle event, hiking across the Jurassic Coast path, midnight walks, there's always something to look forward to.

Senior Quantity Surveyor

Unlock your potential with KK! Join our growing and busy Bristol office as a Senior Quantity Surveyor as we expand our team.

Location: Bristol

We're on the lookout for an experienced Quantity Surveyor to join our dynamic team in Bristol.

Our inter-disciplinary **1 Team** approach sits at the heart of our delivery model giving you a unique opportunity to thrive in an integrated environment tailored to meet the evolving demands of the construction industry. Play a pivotal role in managing the financial and contractual aspects of projects, ensuring successful completion within budgetary constraints while making the highest standards of quality and compliance.

Work closely with our respected clients and immerse yourself in a diverse array of projects across multiple sectors. Experience the excitement of working alongside fellow industry experts, where every project presents new challenges and opportunities for growth. We offer an exceptional experience and first-rate mentoring to support your career aspirations, with a clear pathway to Associate-level positions.

Job description:

Team role

- Collaborate with interdisciplinary teams to deliver innovative solutions and drive successful project outcomes.
- Develop technical knowledge to give guidance to others across a variety of sectors.
- Mentor and support junior team members, fostering a culture of continuous learning and development within the organisation.

Individual duties

- Work closely with clients and stakeholders to understand their needs.
- Oversee the financial aspects of construction projections from inception to completion.
- Prepare detailed cost estimates, budgets and procurement plans.
- Monitor project progress and financial performance, identifying and addressing any risks promptly.
- Advising on procurement strategies and differing forms of contract.
- Compiling contract documents, performance bonds and collateral warranties.
- Administer contracts and manage variations, claims and disputes effectively.
- Conduct thorough analysis and evaluation of contract terms and conditions.
- Ensure compliance with contractual obligations and relevant regulations.
- Implement robust cost control measures to optimise project profitability.
- Track project costs, expenditures and cash flow throughout the project lifecycle.
- Prepare accurate and timely financial reports.

- Provide expert guidance to clients and stakeholders, facilitating informed decision-making throughout project lifecycles.
- Opportunities for Contract Administration and Employer's Agent experience.

Skills and requirements

- Extensive experience in Quantity Surveying within the construction industry.
- MRICS status is desirable but not essential.
- Confidence in being positioned in a client facing role for respective projects.
- Strong knowledge of construction contracts, procurement methods and cost management principles.
- Excellent analytical and problem-solving skills with the ability to interpret complex data.
- Proven leadership abilities with a collaborative and team-oriented approach.
- Attention to detail and a commitment to delivering high-quality work under tight deadlines.
- Valid driving licence.

Knowledge of

- Proficient in MS Excel.
- JCT suites of contracts.
- NEC contracts.
- Cost management software.
- MS365.

So why apply for a career at KK?

1

Inspiring environment with purpose driven business ethos that creates conditions for people to thrive.

2

Market leading benefits that increase with length of service, and promote a healthy work, life blend.

3

Sustainable growth strategy that retains both small-company team agility with the safety net and opportunities of a larger corporate entity.

4

Long-standing, **supportive cultural and formal training models** at the epicentre of our business, The KK Way.

5

Incredible statistics – high staff retention, training success, repeat business and more.

6

It's a great place to work, full of inspiring, supportive, individuals focussed on upholding the KK 1 Team ethos for a common goal, delivering interesting projects for high profile clients.
